

shelley holmes

high-performance leadership / culture expert

Shelley Holmes consults within organisations around the globe developing leaders and cultures to their full potential, so that they are recognised as 'rockstars' in their industry

With more than 30 years' experience in developing and leading in high-performance workplaces, Shelley has had national and international recognition and is widely regarded as one of the key influencers of high-performance thinking within Australia.

With solid experience as a leader and a coach to many hundreds of leaders Shelley is in high demand by many 'blue-chip' organisations. Her clients and the organisations she has worked within as a leader, span both small business, government and large multi-nationals with revenues in excess of \$116 billion.

Whether keynote, conference, executive retreat, seminar, or other corporate event, Shelley's transforming messages of inspiration, possibility and self-discovery have helped create powerful changes in hundreds of organisations and thousands of individuals worldwide.

Shelley's solid experience takes her way beyond a mere motivator. Her insightful, challenging questions and understanding of human behaviour, coupled with real-world experiences provide you with a wealth of practical information and hands-on techniques you can use right away to help you inspire the performance you need from your people.

Shelley's philosophy is that how you show up at work defines you as a human being, and the transformational dent you will make in the universe.
